

Attention: Business Manager!

IF your business was a medical patient and went in for a check-up, what would the doctor say about your revenues?

RED HOT MARKETING

can not only fine-tune your Sales performance,
but we can also look at your whole business model.

CURE the cold , not the symptoms!

We will pin-point opportunities you haven't thought of,
and devise strategies to take advantage of them.

Using creative and totally "out-there" marketing
strategies, we accept the challenge you lay down to us
to expand your Revenue Generating Base. That's what
we exist for.

YOU know what's so good about it all?

If you don't like what we come up with, you pay us nothing.
We mean it!

Talk about guaranteeing our service; we don't just preach it,
we walk the talk.

Ring us today on (027) 357 2285 for a friendly chat
about how we can turn your existing Revenues into
Great Revenues.

Red Hot Marketing
is at your service, now

We wish to inform not offend. To be taken off the list please email: faxout@xtra.co.nz
